Category page	"What apps can I use to pay employees?"	Copilot · KE	20

Recorded by Ahrefs as of November 2, 2026. AI answers change with the person, the country and the day, so a citation may not appear on every attempt.

HOW WE WORK

How we put your product into these answers

01
Diagnose
A baseline of how your product shows up across AI platforms, and where rivals win citations.

02
Create
Source-worthy content built around the questions AI retrieves most here.

03
Reinforce
Entity clarity and trust signals AI weighs before it recommends a brand.

04
Track
Monthly plain-language reports on where your product is named or left out.

INVESTMENT
