## CITATION HIGHLIGHTS

### 2 of the citations we can show you

**Category page**: a question where AI cites SoftwareSuggest's Restaurant Billing Software page. **Guide**: a SoftwareSuggest guide on this topic that AI cites.

| WHAT IS CITED | WHERE | SEARCHES A MONTH |
|---|---|---|
| Category page "Is there a free billing software for restaurants?" | Perplexity | – |
| Guide "Quick service restaurant" | Google AI Overview · 1 search | – |

Recorded by Ahrefs as of November 2, 2026. AI answers change with the person, the country and the day, so a citation may not appear on every attempt.

HOW WE WORK

## How we put your product into these answers

01
### Diagnose
A baseline of how your product shows up across AI platforms, and where rivals win citations.

02
### Create
Source-worthy content built around the questions AI retrieves most here.

03
### Reinforce
Entity clarity and trust signals AI weighs before it recommends a brand.

04
### Track
Monthly plain-language reports on where your product is named or left out.

INVESTMENT

## Three ways to engage

Choose the plan that fits your stage. We confirm the right one with you on a call.
